With private messaging and calling, you can be yourself, speak freely and feel close to the most important people in your life no matter where they are.

Never miss a moment with voice and video calls

From a group call to classmates to a quick call with mom, feel like you're in the same room with voice and video calls.

Speak freely

With end-to-end encryption on WhatsApp, your personal messages and calls are secured with a lock. Only you and the person you're talking to can read or listen to them, and no one else, not even WhatsApp
